Consultants & Builders, Inc. Celebrates 20 Years

DULUTH, Georgia, August 1, 2006 – Consultants and Builders, Inc. (CBI), a leading design-build firm focusing exclusively on the development of financial institutions within the Southeast is celebrating 20 years of success. The company is headquartered in Duluth, Georgia, and offers a wide range of services including facility design, interior design, and construction as well as branding and retail delivery services.

CBI is a second generation, family owned business. The company was founded by Jim Williams in 1986 and, since its inception, has provided plan/design/build services to more than 400 clients. In addition, CBI's number of employees has increased from a family of five to over 45 full-time employees. In the past three years, the company has purchased and renovated a 20,000 SF building located on three acres due to its continued growth.

CBI was recently named one of Atlanta's fastest-growing companies by the Atlanta Business Chronicle and was also ranked on Inc. Magazine's list of America's 500 fastest-growing private companies in 2005.

"We are very proud to be celebrating our 20th year. We owe much of our appreciation to our clients, partners, and especially our dedicated team of professionals who help CBI continue to grow and prosper. We look forward to another 20 years and beyond", said Tyler Williams, Executive Vice President, Consultants & Builders, Inc. (CBI).
