Consultants & Builders, Inc. Launches New Website

DULUTH, Georgia, May 19, 2008 – Consultants & Builders, Inc. (CBI), a leading design-build firm focusing exclusively on the development of financial institutions in the Southeast has launched a new website. The company is headquartered in Duluth, Georgia, and offers a wide range of services including facility design, interior design, and construction as well as branding and retail delivery services.

The new site, located at www.consultantsandbuilders.com, features a more modern, updated design and an expanded project portfolio throughout. The portfolio allows visitors to view multiple images of each CBI project. The site also features easier navigation and a contact form to allow visitors to request further information on CBI's services.

“We are very excited about the launch of our newly designed website. Over the past few years, we have experienced a tremendous amount of growth and feel that now is an excellent time to launch a more aesthetically pleasing website that reflects our recent progress. In addition to the new and improved look, the site showcases our extensive project portfolio as well as provides information on the wide range of services we offer”, said Tyler Williams, President, Consultants & Builders, Inc. (CBI).
