Mississippi Postal Employees FCU Opens New Main Office

JACKSON, Mississippi, April 28, 2006 – Mississippi Postal Employees Federal Credit Union announced the opening of its new main office with an all day open house on Tuesday, April 18th. Chartered on April 29, 1935 for the employees of the Jackson Mississippi Postal Service, the FCU has expanded its membership to include the employees of the Postal Service within the state of Mississippi and their family members. The new state-of-the-art facility is located at 567 South State Street in Jackson.

The 6,000 square foot facility has a brick and stucco design with a contemporary influence. New features include improved member parking, additional teller drive-ups and expanded space for retail transactions.

“The opening of this facility symbolizes our commitment to provide enhanced convenience, easier access and continued premier financial services for our members,” said Kay Willey Baker, CEO and Manager, Mississippi Postal Employees FCU. “Our strong sense of commitment is the cornerstone upon which we operate.”

Consultants and Builders, Inc., a Duluth, Georgia-based firm that focuses exclusively on designing and building financial institutions designed and will build the new main office. “We were very pleased to work with this very successful financial institution,” said Tyler Williams, Executive Vice President, Consultants & Builders, Inc. (CBI). “Our goal mirrored theirs – build a new facility that will provide added convenience and access for members long-term.”

About Mississippi Postal Employees Federal Credit Union

The purpose of Mississippi Postal Employees Federal Credit Union is to promote thrift among its members by affording them an opportunity to accumulate their savings, and to create for them a source of credit for provident or productive purposes. Member services include main office customer service, 1400 shared branches, 24 ATMs and its new Eagle Express Web – anytime PC-based transaction service using a home or personal computer providing financial access day and night, seven days a week.
