NorthSide Bank Opens in Adairsville, Georgia

ADAIRSVILLE, Georgia, September 11, 2006 – NorthSide Bank celebrated the grand opening of its new headquarters facility with an open house reception on Saturday, September 9, 2006. The new two-story, 15,000 square foot facility is located at 7741 Adairsville Hwy in Adairsville, Georgia.

“We are extremely excited to be a part of the growing Bartow and Gordon County communities. Staffed with knowledgeable, experienced professionals using the latest in banking technology, our first class facility provides the ultimate customer experience,” said Greg Patton, President/CEO, NorthSide Bank.

The full-service office is a blend of local experience and friendliness coupled with modern conveniences. Interior features such as a fireplace, a salt water aquarium and a coffee bar create a warm and inviting environment where customers feel welcome. Centrally located plasma screens provide local news and entertainment. In addition, a full-service kitchen adjoins a covered patio for hosting client and employee functions. The facility also features three drive-up teller windows, a drive-up ATM and a safe deposit vault with palm reader access providing security and convenience for customers.

Consultants & Builders, Inc., a Duluth, Georgia-based firm that focuses exclusively on designing and building financial institutions, designed and built NorthSide Bank. “We are extremely proud of the facility and of our relationship with the professionals at NorthSide Bank. It is a pleasure to work with them and we hope that our partnership will continue,” said Tyler Williams, Executive Vice President, Consultants & Builders, Inc. (CBI).
