Pike National Bank Opens in Brookhaven, Mississippi

BROOKHAVEN, Mississippi, June 8, 2011 – Pike National Bank celebrated the grand opening of its new branch facility with an open house reception on Thursday, June 2, 2011. The new one-story, 10,000 square foot facility is located at 711 Brookway Blvd. in Brookhaven, Mississippi.

“This project was my responsibility to the bank from initial meetings and planning right through to completion. CBI was excellent in their advice and counsel during the planning, design, and construction process. There was not one promise unfulfilled and their service after completion of the building has been excellent,” said Richard K. Furr, City President, Pike National Bank.

The new branch boasts an impressive single story Craftsman style exterior. Interior features such as a greeter station with a popcorn machine and balloons for kids of all ages create a warm and inviting environment where customers feel welcome. A full-service commercial kitchen adjoins a large community room for hosting client and employee functions. Centrally located plasma screens provide local news and entertainment. The facility also features multiple teller windows, including a commercial lane, a remote ATM and a safe deposit vault. The building was dedicated to Joe Sones who founded and chartered Pike National Bank in 1984.

Consultants & Builders, Inc., a Duluth, Georgia-based firm that focuses exclusively on designing and building financial institutions, designed and built Pike National Bank. “Pike National Bank takes great pride in being a true community bank. Our goal was to help design and build a facility that reflects those community roots and enables them to continue their success as a growing financial institution,” said Tyler Williams, President, Consultants & Builders, Inc. (CBI).
